

# GAVIA MORTIROLO 2026

3 EXPERIENCES — 1 WEEK — THE MOST ICONIC CLIMBS IN THE ALPS

## INTERNATIONAL GRANFONDO

Ponte di Legno becomes the stage for the most important chapters of world cycling.

# GRANFONDO GAVIA & MORTIROLO 2026

For one week, from 30 June to 5 July, Ponte di Legno becomes the beating heart of the Alps and a stage for some of the most iconic moments in world cycling. The **Granfondo** stands at the centre of the event — its most anticipated highlight — surrounded by a **complete programme that includes:**

PASSI MITICI

GRAVEL EXPERIENCE

GRANFONDO GAVIA & MORTIROLO

GRANFONDO GAVIA MORTIROLO 2026 / GRAVEL EXPERIENCE & PASSI MITICI

# OFFICIAL PROGRAMME

# Passo del Vivione

**Tuesday 30 June 2026**

**Roads closed 08:00 – 12:00**

The Vivione is one of the most captivating climbs in the Orobic Alps: wild, scenic and immersed in nature. A day dedicated entirely to cyclists, with traffic-free roads and **three route options available**:

FROM FORNO ALLIONE

KM: 20 km

Elevation gain: 1400m

FROM SCHILPARIO

KM: 12.5 km

Elevation gain: 740m

FROM CAPO DI PONTE

KM: 87.7 km

Elevation gain: 1880m

The route from Capo di Ponte **offers guided support**.

# Pirate's Climb

**Thursday 2 July 2026**

**Road closed 08:00 – 12:00**

from the municipality of Pian Camuno to Montecampione

Montecampione is a renowned ski resort in Val Camonica, developed across two areas (Alpiaz and Plan). The climb is a symbol of Marco Pantani: steep, relentless and demanding – a challenge every cyclist should face at least once. **The panorama rewards every metre of climbing.**

FROM PIAN CAMUNO

KM: 19 km

Elevation gain: 1550m

# Gravel Experience

## DAY 1

Saturday 4 July 2026

## Formula a scelta
